## Vestry Voice: Complete the CAT Survey

The CAT Survey has launched! Last Sunday you should have received an email with a link to the CAT Survey. This multiple choice survey should take about thirty minutes to complete, but it must be done in one sitting. If you need any help with the online version, or need to use a paper survey, make an appointment at the church office so that someone may assist you. The information gathered in both the CAT survey and the Listening Sessions will help will help the Search Committee better understand the viewpoints of our church family as we move forward in the search process. Follow the progress of the CAT survey on the thermometer located at the back of the sanctuary! If you have any questions, please reach out to Kim Page at [kppage1960@gmail.com](mailto:kppage1960@gmail.com) or (904)415-3243. Thank you for your willingness to participate in this important step in the life of our church.

## Nourish: Wednesday Night

**Healing Starts Here: What if healing the planet starts with your fork?**

**Wednesday, April 23 at 5:00 p.m.** Deborah Garrard of [be\(e\).well](http://be(e).well) *serve well* will be teaching the Nourish class followed by a delicious plant-strong meal provided by Cafe Karibo at 6:00 p.m. This class explores the question, "What if healing the planet starts with your fork?" and the impact conscious eating can have on the environment and your health. This study is based, in part, on the work of Sophie Egan in her book, How to be a Conscious Eater, Making Food Choices that are Good for You, Others, and the Planet. Join us for this class and learn about eating as a spiritual practice. If you plan to attend dinner, please register at [stpetersparish.org/nourish](http://stpetersparish.org/nourish) by 4:00 p.m. the Monday prior to class.
